

## MGS VIRTUAL GOLF COMPETITION

**21<sup>st</sup> to 27<sup>th</sup> April 2024**

Free to enter, all that is required is to play a round of golf anywhere you like with a member or a friend to verify your score. The marker can also enter as a guest if you wish.

We pull together the completed score cards from all the entries from across the UK (and abroad !!) and create a single "level playing field" using WHS indexes and difficulty ratings to moderate each score.

### COMPETITION ENTRY

Play an 18-hole round of golf on course of your choice. Any day from 21<sup>st</sup> to 27<sup>th</sup> April 2024. Have your Stableford score confirmed by your playing partner (who can be a guest or an MGS member) and submit your (and your guest's) scores as below. Multiple entries on one card are acceptable.

On completion of your round please e-mail a photograph or scan of the signed card(s) to:- [frasergeekie@outlook.com](mailto:frasergeekie@outlook.com) Please contact Fraser directly if you have any queries. WhatsApp also accepted - 07976905571

**Important :** Your card and/or accompanying email should clearly show which course you played with slope index and difficulty rating - and then for each player :-

- WHS Handicap Index (if held)
  - Course Handicap
  - Playing Handicap \*\*
- The tees which were played
- Stableford score achieved over 18 holes

All entries to be received by 1700 on Monday 29<sup>th</sup> April. A full leaderboard containing all the scores, any adjustments made and notification of prize winners will then be distributed later in that week

### THE PRIZES

The magnificent *Virtual Golf Champion Trophy* will be awarded to the player with the highest Stableford score regardless of division. Highly coveted MGS golf balls will also be presented to the winners of the Gold, Silver and Guest divisions.

**MGS Competition rules apply to prize and trophy distribution**

\*\* Playing Handicap – WHS Index held, Playing handicap = 95% Course handicap  
No WHS Index held, Playing Handicap = fair reflection of ability
